3-door display freezer with canopy

Our 3-door display freezer with canopy - UFSC1600GCP-P is a perfect choice for stores wanting to utilize their limited space best possible.

It has 2 separate cooling systems making problems with one system less alarming. In addition 3 layered glass with coating, frame heater, 2 internal fans and an improved door opening system makes sure that cooling is optimized.

Door glass, shelves, LED light in the doors and the finish in general has been improved in order to optimize the presentation of the displayed products.

The shelves are adjustable making this freezer flexible for displaying products of different sizes. You can for example also have different shelf positions per door instead of one big shelf - this gives a more flexible product display. Middle shelves are 535 mm wide. Side shelves in both sides are 465 mm wide.

The 3-door freezer is well suited for e.g. supermarkets, convenience stores and gas stations.

UFSC1600H-P also comes in a cooler version - FSC1600H-P.

Design & Cooling

Door Number & Type	3 hinged self-closing glass doors	
Tempered glass		Yes
Door Reversible		No
Shelves Number & Type	15 adjustable	
Shelf Color	White	
Shelf Dimensions	465/535 x 470 mm	
Canopy Type	D-Shape	
Canopy Light	LED Cold White	
Temperature Range	°C	-23 to -18
Climate Class		4
Gross Weight	kg	219
Net Weight	kg	214
Gross / Net Weight	kg	219 / 214
Gross Volume	l	1252
