

TYP R-N

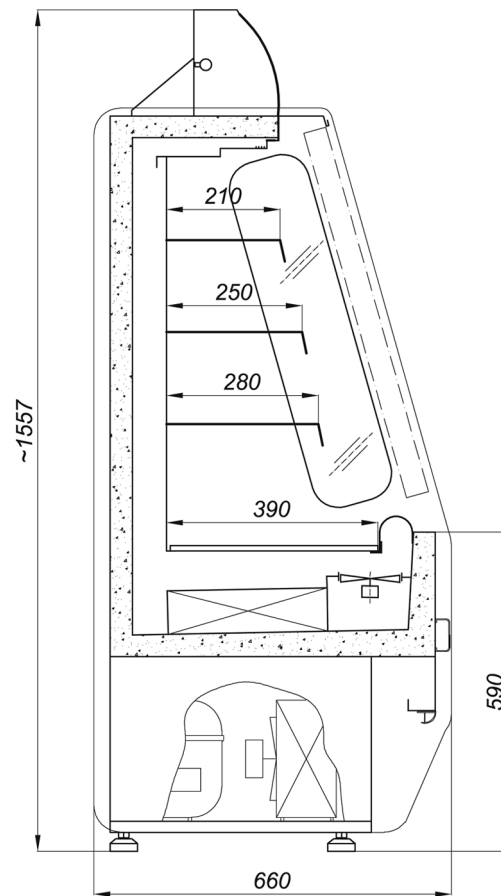

MODEL

R-N

CATALOGUE OF EQUIPMENT

4.2. REFRIGERATED SHELVES - series „R-N”

DESCRIPTION OF INSTALLATION

Refrigerated display case R-N is a plant dedicated to show small quantities of different food products in lowered temperatures. The case has a large display area, brightly lit by two vertical fluorescent lights. Thanks to small overall dimensions and plenty of space for advertising it may be located at petrol stations and similar places.

COLOURING IF DECORATIVE AND FINISHING ELEMENTS

Dominant case finishes are:

- yellow
- red
- blue
- green
- brown-gold

Fender profile:

- light grey
- black
